Board of Supervisors
North East Conservation District

Dear Members of the Board,

Please accept this letter as my formal resignation from my position as President of the North East Conservation District, effective immediately.

After careful consideration, I have determined that I do not have the time or the level of knowledge necessary to effectively manage the district in the manner it deserves. I believe it is in the best interest of the organization to have leadership that can devote the appropriate time and expertise to its continued success.

I sincerely appreciate the opportunity to serve as President and to work alongside the Board and staff. It has been an honor to contribute to the important work of the North East Conservation District, and I am grateful for the experience and support I have received during my time in this role.

I wish the District continued success in all of its future efforts.

Sincerely,

Thomas Dunagan
